WHO WE SERVE

if you're reading this, it's probably you

With years of data, production experience, and deep work with founder-led brands and personality-driven businesses, we've identified a major gap in the content marketplace - everyone is posting, but very few are effectively positioning themselves. Skewed Orbit's Signature Clip Services changes that. We craft intentional, high-impact clips that articulate your authority and accelerate your growth. If you identify as a Founder-Led brand or a Personality-Driven business, these services have been created just for you.

INFLUENCER."**

You want visibility without dancing, lip-syncing, or selling your soul for views.

You ramble. You overthink.
You freeze.

**"I NEED TO CREATE
CONTENT, BUT I DON'T
KNOW WHERE TO START."**

You don't understand hooks,
camera presence, or what
makes a clip go viral.
